## EAGLE COUNCIL 51 – Your Special Invitation!

September 27-30, 2023, Crystal City Marriott at Reagan National Airport

Dear Eagle Friend,

We are thrilled to announce that our 51st annual leadership and training conference known as Eagle Council, will be held in our nation's capital on September 27-30, 2023 in Washington, D.C. and **YOU ARE INVITED!**

**EAGLE COUNCIL 51 is presented by Eagle Forum**, an organization founded by the late Phyllis Schlafly in 1972, governed by a Board of Directors, and made up of an army of volunteers representing almost every state in our nation. Eagle Council is an incredible gathering for our faithful friends, fellow-activists, and constituents designed to further encourage, educate and empower us all to effectively engage in active-citizenship.

With an established history, Eagle Forum and its members have the experience to train up new generations of grassroots activists to ensure that America continues to be a land of individual liberty, respect for family integrity, public and private virtue and private enterprise. In addition to all of Eagle Forum's other resources and opportunities, Eagle Council 51 offers conservatives like you, the time to come together and obtain the added training and encouragement needed to carry on this mission.

Yes, we will hit the ground running on September 28 as our Eagles descend on Capitol Hill for a day of lobbying Members of Congress and their staff. Your presence in person on the Hill in these offices is invaluable to our cause. We will brief you on the issues Eagle Forum suggests that you cover prior to your arrival in D.C. and the morning of for those who are brand new to the process. Please make appointments to meet with your Members before you arrive to ensure that they and/or staff will be available to meet with you!
