face masks and the checking of body-temperature at entry points in different nations, airports, and other public venues like train stations or supermarkets.<sup>1</sup> Amazing! And we thought each individual nation, or state or city had come up with these "original" ideas all by themselves! Is this the script the globalists are all following in dealing with this "pandemic?" It does appear that they are all in lockstep to know what to do and when to do it.

**2014 – Coronavirus Research Passed on to Wuhan Lab:** Research on coronaviruses was originally going on at the University of North Carolina. When it was discovered that this virus could be passed on to humans, they stopped the research. Scientists from the Wuhan lab in China, part of the research team, took the research back to China.

**2015 - Millions Given to the Wuhan Lab from the NIH:** \$3.7 million was given to the Wuhan lab by President Obama and Dr. Fauci through the National Institute for Health. How was that authorized or justified? Bill Gates also gave funding for the Wuhan lab to be built.

**2015, September, NYC, UN 2030 Sustainable Development Goals Adopted by all Nations:** One of the 17 goals – #16.9 tells of their commitment was to 'provide legal identity for all, including birth registration' by 2030.'

**2016, May, NYC, UN – ID2020 Summit** brought together over 400 people to discuss how to provide digital identity to all, a Sustainable Development Goal including 1.5 billion people living without any form of recognized identification.

**2017, Jan. 12 – Prediction of a Definite Coming "Outbreak:"** Dr. Anthony Fauci, Director of the National Institute of Allergy and Infectious Diseases (NIAID), gave a talk at Georgetown University, where he stated; "There is no question that there will be a challenge to the coming administration in the arena of both chronic and infectious diseases... **But also there will be a surprise outbreak.**"<sup>2</sup> [How could he know that for sure unless it was already in the plans?]

**2019, October 19, "Event 201"** took place in New York City at The Johns Hopkins Center for Health Security. It was co-hosted with the Bill and Malinda Gates Foundation and the World Economic Forum. Various corporations were invited and the CIA. It was all about a "modeled fictional coronavirus pandemic" and highlighted "preparedness and response challenges that would likely arise in a very severe pandemic." In their mock scenario, the virus kills 65 million people. The infrastructure, technology, and legislative framework for martial law were prepared and in place. Of course, they include **better surveillance and identification of all people.**<sup>3</sup>

**2019, October, 18-27 – Military World Games,** held at the Sports Center at Wuhan, China. This was the 7<sup>th</sup> year of the event. The best athletes of military units from around the world meet for a week and compete. Three hundred were from the USA. Five athletes came down with the virus several weeks after leaving China. One was a woman cyclist from America. When all the world was blaming Wuhan for the beginning of the pandemic, a Chinese government spokesman, Zhao Lijian, blamed the virus on America, that it was their military athletes who brought it to China during the games.<sup>4</sup>

**2019, November 1 - China turned on their 10,000 5G base stations in Wuhan,** the biggest test city for 5G. They also turned on 130,000 other 5G stations throughout the rest of their large mega cities (all over ten million people). 5G greatly weakens peoples' immune systems, but it is also a great system for **surveillance and collecting data** on its people.

**2019 - December – January- The Virus Outbreak Began in Wuhan:** The official government story is that it started in the fish market in January by people who like to eat bats, but others said it started much sooner in December by people who had no connection to the market (and the market has never sold bats). They believe it was developed and leaked from the Wuhan Lab, a WHO National

## Various Events Leading Up to Global Surveillance Tyranny Using a Pre-Planned Plandemic

**2010, May – "Lockstep:"** This is a Rockefeller Foundation and GBN (Global Business Network) white paper detailing a scenario where authorities are responding to a hypothetical pandemic where 8 million people die. Its second title is "Scenarios for the Future of Technology and International Development."

According to writer Halley Kennington, April 17, this is "*The Elite's Endgame Scenario Handbook that features a pandemic, global lockdown and increased surveillance, amongst other possible solutions to decrease global population.*" The paper mentions "deadly effects on the economy with businesses shut down for months, broken global supply chains, famine, and disease pushing citizens to BEG for **government surveillance and control.**"

The Lock Step Scenario also details "enforcing mandatory wearing of

Biosafety Laboratory (Level 4) that is designed to “conducts research and develop pathogens applicable for conversion into bioweapons.” According Dr. Delores Cahill, a highly acclaimed scientist and professor, formerly from Germany, now living in Ireland, “What happened at the Wuhan lab, that produced the COVID-19 virus, also called SARS-COV2, was not natural and did not happen by chance coming from a bat. It was deliberately modified.”<sup>5</sup>

**Bill Gates Connection:** The Bill and Melinda Gates Foundation gave money to build the lab. Gates is a member of the Science Academy for China and was highly honored by the Chinese government. He holds the patent for the virus. His foundation also benefits financially from the kits to test for the virus. Since his foundation is funding all the groups involved in developing a vaccine, once it is produced, he will benefit as well. [It may already exist. Perhaps Gates is waiting for a future scary “pandemic serge” to bring it forth as the “savior” of the world, and the desperate, frightened people of the world will be waiting in line to receive it!]

**January 14, 2020 - China and the WHO Were Complicit in Preventing the World from Knowing the Truth about the Virus, so they would not be ready.** Chinese leaders told the WHO that there was no evidence of human-to-human transmission of the coronavirus strain. WHO passed on those assurances that the virus would not transmit easily, and that it could be easily contained. Was this so that the virus would be much worse in its spreading, creating a bigger desire by the people of the world for a vaccine and surveillance?<sup>6</sup>

**IMF (International Monetary Fund) had Established Pandemic Bonds:** These had to be called by the end of March, 2020 for them to be able to be paid off. Amazing that people were actually going to be making money on a pandemic! Statement made by Dr. Cahill<sup>7</sup>

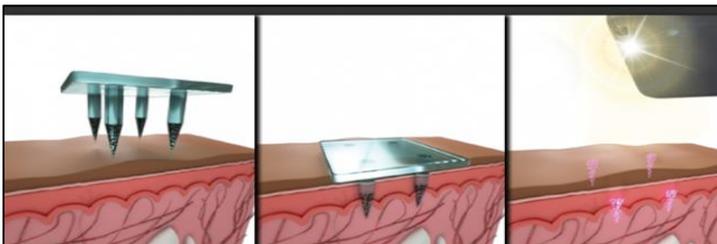

**Some Doctors Like Dr. Fauci and Dr. Birx, and Complicit Media Are Cooking the Books on the Numbers:** Dr. Shiva Ayyadurai, an MIT PhD Scientist and Biological Engineer testified on a news broadcast called *the Daily Report*, saying: “Experts are not telling the truth about the virus – They are cooking the books, making the numbers appear higher than what they really are.” Why are they doing this? They want us to be full of fear so we will be more willing to **allow our freedoms to be taken away and accept a mandatory vaccination.**<sup>8</sup>

**Doctors Are Encouraged and Paid More for Listing Patients as CV-19:** Dr. Scott Jenson, a Minnesota Senator and MD testified on the Laura Ingraham show that, “Yes, hospitals are getting paid more to list their patients as having COVID-19, no matter what their illness. They are also getting three times as much if the patient goes on a ventilator.” He added, “*Right now Medicare is determining that if you have a COVID-19 admission to the hospital you get \$13,000. If that COVID-19 patient goes on a ventilator you get \$39,000, three times as much.*”

**The Remedies and Information about the Virus are Confusing and Keep Changing:** We used to be told that masks were only necessary if you had the virus, now everyone is supposed to be wearing them – a constant reminder in front of our faces if we venture out of our homes that there is a pandemic, so we cannot forget it. Dr. Cahill and other doctors says that the masks are actually harmful and prevent us from getting enough oxygen that we need.<sup>9</sup>

**Doctors That Question the Story Line Are Suppressed:** ER Doctors Dr. Dan Erickson and Dr. Artin Massihi, during a Press Conference in Bakersfield, California April 22, with *23 ABC News*, shared such common sense wisdom as the following: Sheltering-in-place and social distancing are not scientific and has never been used before to fight an illness. We should be allowed to be in groups and to be part of the herd if we want to have our “herd immunity” kick in and develop the antibodies to be able to fight this virus on our own. Their YouTube video was soon removed.

**Bill Gates’ Mandatory Vaccination with ID Biometrics for ID Tracking:** The pandemic fear tactics and paranoia are leading to

*Quantum tattoo developed by MIT and funded by Gates. It will deliver the vaccine along with a new dye, which consists of nano-crystals called quantum dots, invisible to the naked eye, that emit near-infrared light that can be detected by a specially equipped smartphone – so people can be scanned wherever they go and it will show whether or not they have had the vaccine..*

what has been planned for many years- the ultimate in control and tyranny – a system that will number the entire world and keep us always under surveillance (pretending to do all this for “our safety.” Bill Gates wants us all to have a world-wide mandatory vaccine which will include a form of biometric ID so we can all be tracked and traced the rest of our lives. We need to be prepared so we can say no to this vaccine, which means we will need to be totally self-sustaining, for we will not be allowed into most public buildings, like stores? (Read Revelations 13:16-17)

**Remember the wise words of Benjamin Franklin** about safety and liberty? “*Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety.*”
